

The Ultimate Chocolate Fondue!

Let Them Eat Cake, Inc.

All you need is love. But a little chocolate now and then doesn't hurt. Charles M. Schulz

We have a great fountain and work hard to keep it clean and functioning for our customer's use and enjoyment. We will drop off the fountain and set it up ready to go for the event. After the 3 hour rental (or what the client has requested or paid for) Let Them Eat Cake will pick it up. Please take a moment and review a list of policies we've developed to ensure there are no worries associated with the fountain.

- Once the fountain is in place it is not to be moved.
- If the client has requested for the fountain to be dropped off without an attendant present, then the client(s) will assume full financial responsibility of any damage to the Chocolate Fountain.
- If there are any problems during the event and there is no attendant from Let Them Eat Cake present to take care of it, a \$75.00 charge will be incurred by the client if a Let Them Eat Cake representative needs to return to the venue. If damage has occurred to the chocolate fountain, the client assumes full financial responsibility for the replacement cost and possible down time. (approximately \$4,100.00)
- Let Them Eat Cake advises against placing the fountain outside due to the variability of Mother Nature and her assistant - Wind. We will advise the client in recommending the best possible placement if requested for an outdoor location but do not take any liability or responsibility for any problems that may occur.
- A credit card is required as part of the deposit for any damage.
